

11th Symposium - Agenda

→ Tuesday, October 5th, 2010

19:00h Drinks reception at the Hotel Schloss Friedestrom

→ Wednesday, October 6th, 2010

08:30h Meeting at the Hotel Schloss Friedestrom, Registration and handout of Symposium Manual

09:00h Introduction by Thomas Kolbusch, Coatema Coating Machinery GmbH, Germany

09:15h "Integrated product and production process development for electric vehicles" by Christoph Nowacki, RWTH Aachen - WZL, Germany

09:45h "Tungsten carbide lip slot-die for high precision coating" by Yusuke Furuya, Mitsubishi Materials Corporation, Japan

10:15h "Flexible polymer solar cells" by Dr. Birger Zimmermann, Fraunhofer ISE, Germany

10:45h Coffee Break / Snack

11:15h "Techniques and applications of in-line optical thickness measurement" by Andreas Woerz, Keyence Deutschland GmbH, Germany

11:45h "Roll-to-roll process line for OLED lighting" by Dr. Stefan Mogck and Christian May, Fraunhofer IPMS - Institut fuer Photonische Mikrosysteme, Germany

12:15h "UV-technology for different applications" by Rolf Müller, IST Metz GmbH, Germany

13:00h Break / Light Meal

14:15h Bus transfer to Coatema

14:30h 3 different trials regarding the lectures heard before will be demonstrated by the speakers at Coatema's R&D Center

17:15h Bus transfer to the Hotel Schloss Friedestrom

17:30h Guided tour of the old town of Zons

19:00h Dinner at the Hotel Schloss Friedestrom with Live Music "Triple Sec"

→ Thursday, October 7th, 2010

08:15h "Coatema 2010" by Thomas Kolbusch, Coatema Coating Machinery GmbH, Germany

08:30h "The application of inkjet technology for industrial coatings" by Dr. Kay Yeong, Xennia Technology Ltd., United Kingdom

09:00h "Narrow web corona treatment and the powerfactor" by Rob Hablewitz, Pillar Technologies, USA

09:30h "Hotmelt Smartcoater development" by -NN-

10:00h "Surface cleaning of polymer films and other substrates" by Martin Streuli, Shinko Europe AG, Switzerland

10:45h Bus transfer to Coatema

11:00h 3 different trials regarding the lectures heard before will be demonstrated by the speakers at Coatema's R&D Center

13:00h Bus transfer to the Hotel Schloss Friedestrom

13:15h Light Meal, Closing Remarks

14:00h End / Summary

(Subject to modifications)

YOUR WORLD OF COATING
