Dear Industry Professionals,

The international Coating Symposium has been a fixed event in the coating and printing industry since the year 2000.

Speakers from industry, institutes and R&D will present the latest developments around Coating, Printing and Laminating and we will show trials in our R&D centre on site.

We are pleased to invite you to the 21<sup>st</sup> international Coating Symposium on **November 8<sup>th</sup> + 9<sup>th</sup>, 2022**.

This year we will have an exclusive masterclass „**Slot die coating and Drying**“.

Please let us know if you are interested in attending this event by filling out the attached application form no later than **October 24<sup>th</sup>, 2022** and fill out the form:
