

23rd international Coating Symposium

November 26th + 27th, 2024

Dear Industry Professionals,

The international Coating Symposium has been a leading event in the coating and printing industry since the year 2000.

Speakers from industry, institutes and R&D will present the latest developments around Coating, Printing and Laminating and we will show trials in our R&D centre on site in Dormagen.

We are pleased to invite you to the 23rd international Coating Symposium on **November 26th + 27th, 2024**.

Here you can get a small preview: [Symposium Video](#)

This year we will have an exclusive short course with our expert know-how.

Please let us know if you are interested in attending this event by filling out the online registration form no later than **November 15th, 2024**.

Detailed information can be found on our website. Please scan the attached QR Code with your mobile phone. [Here you can also register.](#)

We are looking forward to see you in November, your Coatema Team

The talks will be held in English.
